Sound That Tells Your Story

Services Summary – Joshua Kazhila Productions

Joshua Kazhila Productions offers a suite of tailored audio production services designed to help your station and brand sound professional without breaking the bank. From concept to final mix, we handle everything with creativity and excellence.

Our services include:

Radio Ad Production (30-sec & 60-sec): Full-service ad creation including concept, scriptwriting, and production.

Scriptwriting: Compelling, audience-driven scripts written specifically for radio or digital platforms.

Voice Over: Professional voice-over services by Joshua Kazhila or selected talent, recorded and edited for a clean, broadcast-ready **sound.**

Jingle Production: Custom music and jingles crafted to suit your station or campaign's identity and energy.
